Notes to Riders

We are sharing the HQ with a Charity Mountain Bike Ride, the organisers are expecting approx 140 riders so car parking is going to be at a premium. The sports centre are allowing us to park on the playing fields behind the HQ. Please follow the instructions of the Car Park Marshalls who will allocate you a spot.

The HQ will be open from 8.45, please allow yourself 15 minutes to ride up to the start. Signing on will close at 9.30 to allow allocation of any remaining places to those entering on the line.

Please note the change of course detailed on the front page. We are using the shorter version of the course so as to avoid a potential clash with the mountain bikers. We have added a lap on to the race to maintain the same total race distance.

Prizes will be presented in the bar at the HQ approx. 30 mins after the finish of the race.

Full race results will be available ASAP after the event on our website at www.halifax-imps.org.uk, follow the link to the results page.

Have a good ride!
